

Executive Management Services

Strategic Planning

Strategic Planning determines where your organisation is going over the next few years.

In particular how it intends to get there, and how it will know if it has got there or not! A business plan usually is shorter term and focuses on a particular service or area of operation.

We can offer a number of services to assist with strategic and business planning including:

Evaluation of existing strategy

Formulation of new strategy

Assistance in the development of business plans

Action Planning (who will do what and by when)

Development of sustainable partnerships to achieve outcomes

Ensuring your strategic plan supports quality service delivery outcomes

Linking performance measurement with your corporate strategy

Board & Member Development

It is extremely important that the Board and members of any organisation perform at a highest level in today's competitive environment

We are able to offer assistance with:

Chairmanship Skills

Law and Procedure for meetings

Preparation and agenda compiling

Problem Solving

Problem Acceptance

Guidance and formulation of rules of corporate governance

Development of the board as a whole and its individual members

Personal Development

Senior Executives and Managers need skills to achieve outstanding performance

Our portfolio of development opportunities include:

Executive Coaching

Coaching is usually undertaken on a one to one basis and can be 'user led', or structured.

Mentoring

Our mentoring service assists with enhancing a person's skills and ability by providing support particularly during periods of rapid change

Performance Skills Training

We are able to provide training to assist and improve the effectiveness of senior managers in skills such as leadership, negotiation, time management, assertiveness, team building and change management

National Vocational Qualifications

We are able to undertake the full range of Management and Training & Development NVQ's up to level 5
